revised

As ordered by the Jail from
(12.10.17)
the present bill is much
in excess of that for 1870/71
which cost £600 Rs only
for maintaining the terms
I find that the expenses
cheap is mainly owing
to the 2 Jailors, the Jailor's
Jewelry, the Jailor's
& Jailor's being each allowed
an annual suit of cloth or
linen - This accounts for
the £55/- the money to be sent
but I think it should be noted
that these suits will only be
given after an interval of
2 or perhaps 3 yrs.
The white clothing (2 suits
each) seems somewhat in
cost - Rs 150 are being
charged for repairing old cloth
etc. and it may be questioned
whether this might not have
been done by some of the
Jailors. 11/11/10

6/10 - Before going to
the Jail, I wish to
know what orders
have been issued on
the subject of the
clothing to be al-
lowed to the Jail
officers & Jailors
I observe that for
the two Jailors is
included, but it
seems to me that
a man so well
paid as the Head
Jailor should be
made to be in-
cluded. There would
be a definite differ-
ence

3

Very much (Clarke)

I send you what
there is of orders &
Correspondence regarding
the Tentail Sail Clothing
for the Establishment.

There are not so definite
as receipt be and as I
wish to be sure, it would
no doubt be better to
have it. I am now exploring
what each man was to
have - and I think the same
rules as the Police have,
receipt be applied. I am
also the Rules about dress, which
I drew up for the Sail Clothing

as low a figure and as small
a quantity, as I think can
be done.

As regards the Chiefs & by
Jacobus, I think they might
very well be called upon
to bear, a part at least,
of the expense of their clothing
and so I propose to make
them pay for the clothing, &
I also to keep themselves
in white clothing, except
enough cloth ~~for a~~ ^{for} ~~enough~~
for one suit and so I
have put it in the bill.
So this will ^{thereby} ~~not~~ ^{be} ~~making~~
difference. The reason why
I think it is of use to put
in front is that then one can
better rely upon the unif

6
being worn in good con-
dition and economy to exact
pattern. In it is a curious
fact that these men do
not like uniforms and
would rather be without it
& buy their own clothing
altogether. The slowest
military measure in which
they used to dress here
before they got uniforms
was most painful to see,
besides being really injurious
to order & discipline.

The item of Repairs might
be struck out certainly -
as the men might be called
on to pay for that - I included
it as they are poor & there
is always some difficulty in
getting a man to keep his things
good on account of this. However I
can manage that.

7
I hope ~~it will~~ not be consid-
ered to much for the Bill
as it is. For it is a
matter, not of sentiment,
but of much practical
utility, to treat the men
of a Jail Establishment
well & to give them certain
advantages.

They are not like the Cognate
Services of Police or Barr
Sergeants - for these may be
very well called upon to
do something & to come in
contact & to control men
in their daily duty. The Jail
Peons must be with, & ought
to be able to exert an
influence & control over
men (often not always the
most pliable) for hours

8

together - Their crutches
are constant & fastidiously
I am carried on in all
weathers & (as the time
comes round) by night
as well as by day.

To do their work at all
well it is of the greatest
use to them to be well clothed
and, ~~as~~ as it is, I have
the greatest difficulty
in getting the needed amount
of energy & watchfulness
out of them.

I send also a Memo
describing what Clothing
is given to the Police - and
I shall be glad to receive
application to have the

9
Sail selected & placed
upon the same or a similar
fixed standard -

Very sincerely
H. H. H. H. H.

The first estimate of all was
\$1100 - This was cut down
to \$850 - which was not
enough & did not include
European Laborers - They got it
separately.

From

To

The Secretary to the Chief Commissioner
of Mysore

Sir

I have the honor to submit in
original; letter No 613 of the 6th inst. which
(to be obligingly returned) with its enclosure,
received from the Superintendent of the Central
Jail, and to request that you will be good
enough to obtain the Chief Commissioner's
sanction to the outlay of Rs 1047-7, being
the cost of the clothing for the establishment
of the Central Jail for the current year.

2 The outlay now applied for is
much larger than that of the two previous
years, which amounted respectively to Rs =
Rs 539 and Rs 600 only, but I observe
that this extra expenditure is chiefly
accounted for by the fact that the clothing
to

92

to be secured, is of superior quality and durability.

3. On this understanding the bill, may, I think, be passed, the Superintendent being informed that it will be necessary to curtail the outlay under this head, for the coming year, so as to reduce the total cost of the current and future year to the general average of previous expenditure.

I have the honor to be
Sir,
Your most Obedt Servt.
